

The Mechi Chal mountain lodge is the most exclusive development in Bulgaria's booming ski resorts, being the only development of individual houses in a prime location situated on the top of Mechi Chal mountain in Pamporovo.

Set on two and a half acres on the top of the Mechi Chal Mountain, the development is in the most prime position in the whole of Bulgaria, with absolutely stunning views across several mountain ranges, forests and the Pamporovo ski area. A selection of only 35 ecologically friendly mountain residences will be built, each with doorstep skiing, panoramic views and private terraces.

From the Mechi Chal mountain lodge properties you can ski from the front door straight out onto the pistes, and the lift station is only 50 metres away where the new gondolas linking the resorts of Chepelare, Mechi Chal and Pamporovo will be located. The panoramic views over the Rhodope Mountains, Pamporovo ski area, Pirin Mountains and snow covered pine forests are simply breathtaking.

Make Me Rich Ltd have one large, three bed detached chalet for sale at €199,000.

It is one of only a few 3 bed chalets in the development and is 130 sq mtrs.

Due to complete in September 2008 the property will come fully furnished with a guaranteed rental option available.
